

Employee Discount Programme

A great team deserves great benefits

FBD Hotels & Resorts have two discount initiatives to offer all employees at the company as a token of our appreciation for our great teams.

Firstly, employees can avail of exclusive set rates for themselves to stay in six of our seven fabulous properties in Ireland and Spain, with a 20% discount off public rates at Sunset Beach Club.

Secondly, we are offering a friends and family discount which should ensure you are even more popular than ever with your loved ones. The discount will be 30% off best available rates in six of our properties and 15% off at Sunset Beach Club.

What's more, both initiatives are very convenient to use. Both you and your friends & family can avail of these discounts by simply visiting the property website of your choice and entering the appropriate promocode. You are free to share the friends and family promocode.

These discounts are available, subject to availability and some terms & conditions. For more information, use the QR code below or visit www.fbdhotels.com/employees.
