More than *a conference* Venue

A magnificent countryside setting only 10km from Dublin City Centre makes Castleknock Hotel the perfect venue for a refreshing incentive break. A wide range of leisure facilities on site and easy access to key Dublin landmarks and destinations provide unlimited opportunities for entertainment and relaxation.

Gather the team for a little good natured competition and enjoy a round on our on-site 18 hole golf course or head out for a spot of kayaking or fishing in the nearby River Liffey (just 1km from the hotel.) When it's time to unwind, our hotel spa offers a range of soothing treatments designed to quiet the mind and renew the body.

The Lobby

The lobby of the hotel is a stunning contemporary open-plan space with several cosy booths along the wall for semi-private meetings. The space was refurbished in the summer of 2017 with the addition of luxurious couches and furnishings, along with a welcoming fireplace. There is a small patisserie menu available in the lobby offering a range of delicious cakes, pastries and other snacks with a selection of premium tea, coffee and cold beverage options.

The Terrace

Our beautiful south facing terrace at the rear of the hotel is available for private hire. With fantastic views of the golf course, lake and countryside and ambient background music, it is a perfect setting for drinks receptions or group barbecues.

Outstanding culinary choices

At Earth & Vine, our philosophy is simple. We want our dishes to be the best expression of the wonderful ingredients that we find right here on this Island. We've forged great relationships with some of Ireland's best artisan producers and are proud to call them our friends.

BAR+RESTAURANT

22 Bar & Restaurant is our new casual dining option. The dishes have been influenced by the cuisine of Southern Italy, but with our own Castleknock twist.

The recently refurbished Lime Tree Bar is a beautifully styled cocktail bar. The ambience is sophisticated yet warm and welcoming. Enjoy a range of cocktails expertly mixed by our team and relax in the comfortable black and white tartan backed couches and luxurious tan leather booths, which can accommodate small groups together. Located just off the lobby, the bar overlooks the hotel terrace with south facing views of the golf course and lake.

There are a range of exciting menu options to complement the day's activities including a barbecue option on the hotel terrace during the warmer months.

Sports Teams

The hotel regularly hosts many high profile sporting teams due to the exceptional facilities and recognised service on offer. It has been our privilege to host the New Zealand 'All Blacks' rugby team on their previous 5 trips to Ireland since our opening in 2005. Castleknock Hotel is also very proud to be the home of the Republic of Ireland football team since 2015.

Golf

Designed by course architect Jonathan Gaunt, Castleknock Golf Club is a 6,700 yard 18 hole course which offers an enjoyable challenge for golfers of all levels. Home to some of Ireland's best greens, Castleknock is an exceptional course with year-round playability. With its undulating greens, the course is designed to test golfers while maintaining that all important element of fairness. There are a number of memorable holes on the course, most notably the 9th and 18th, two par 3's over water which share a double green, with the clubhouse providing a stunning backdrop.

Recently renovated, the health club offers an 18m swimming pool with panoramic views of the golf course and lake, in addition to a whirlpool bath, sauna and steam room. Guests can also enjoy a state of the art fitness centre, brand new aerobics studio and refurbished shower facilities.
